

F2 – Home Learning – Friday 5th March 2021

Hi F2,

Here are today's activities:

Literacy – Speech Bubble

Play a listening game on Phonics Play (phase 1). The children need to listen to the animal noise and select the correct animal. <https://www.phonicsplay.co.uk/resources/phase/1/welcome-to-the-zoo>

Think about what the animals might say on the farm in the story. Would they be happy with a lazy farmer?

Write a speech bubble as an animal on the farm. How do you think they feel? What might they say?

Phonics: Spellings and Tricky Words

Practise phase 3 tricky words (her, me, we, they)

Spelling test (be, we, me, all)

Play a phase 4 game on Phonics Play <https://www.phonicsplay.co.uk/resources/phase/4>

Maths – Time

Practise counting using the splat square <https://www.topmarks.co.uk/learning-to-count/paint-the-squares> For example – counting 1-20 forwards and backwards, counting in 10's, counting in 2's, one more, one less, missing numbers.

Can you make different o'clock times on a clock using a clock you have at home or on the top marks game <https://www.topmarks.co.uk/time/teaching-clock>

Using either, card, cardboard, or a paper plate, can you make your own clock at home.

Challenge: You might want to use it to help you complete a worksheet on school spider.

PSED: Healthy Foods

Listen to the story 'I will not ever eat a tomato'.

<https://www.youtube.com/watch?v=P3CdrVN3kgE>

Why do we need to eat healthy foods? What is the big problem in the story? What did Lola learn in the end?

What foods should we eat every day and what foods should we only eat sometimes?

What kinds of foods do you eat?

Can you use the worksheet on School Spider to help create a healthy lunch for Eddy and Ronnie (our class bears). Can you draw the food and label it?

Wellbeing Activity: Play a game with a friend or family member. This might be a favourite card / board game or a new game that you have never played before. Could you make up your own game too?

Have fun and remember to post pictures of your work on Tapestry!
