

Klezmer Music
Week

This week we are focusing on Klezmer music

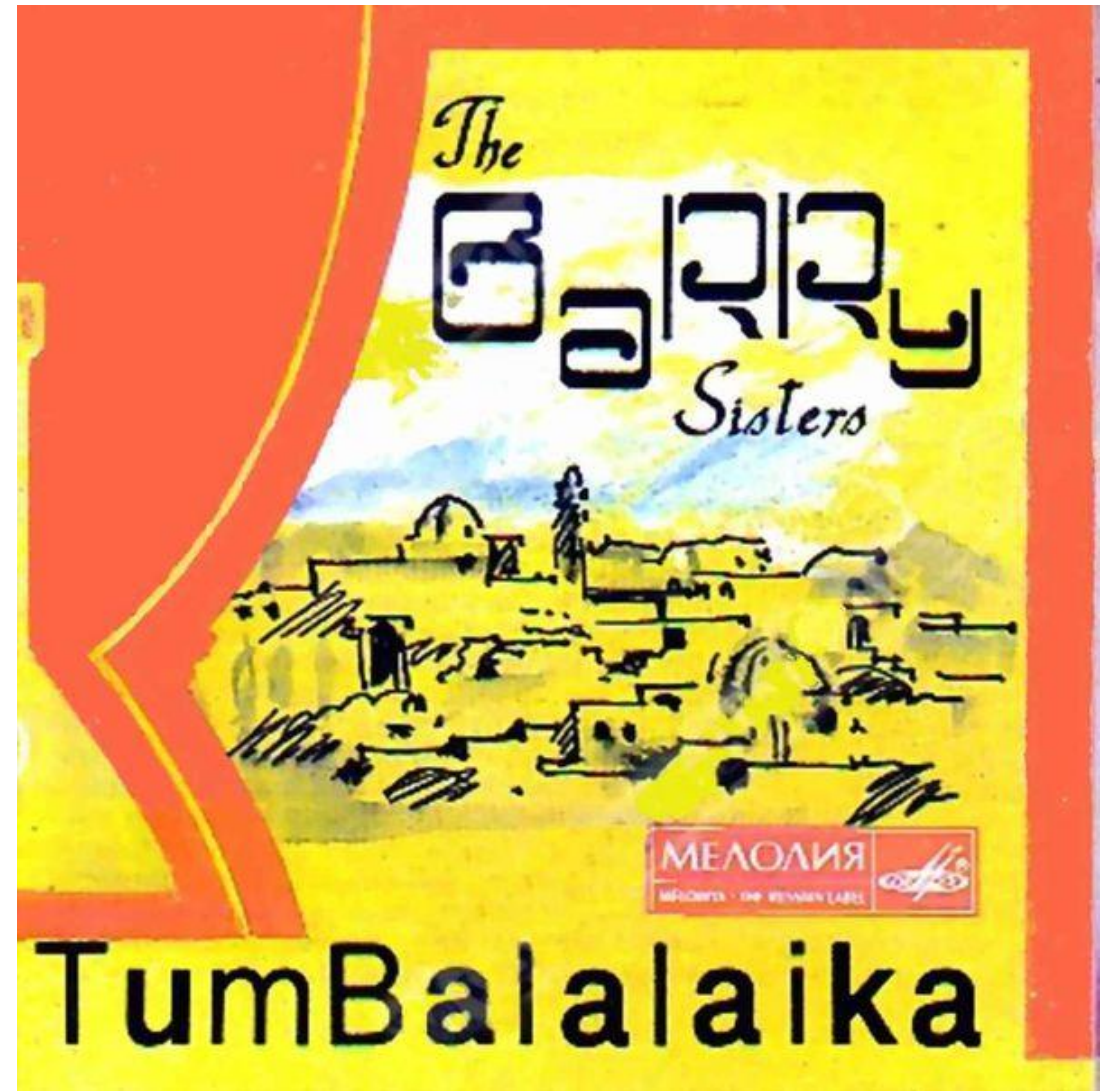

Klezmer music is a genre of music that comes from Jewish people who lived in Eastern Europe a long time ago. Klezmer music is often played at happy celebrations like weddings and parties. The musicians use instruments like the clarinet, violin, and accordion to create lively tunes and beautiful melodies.

Klezmer is a Hebrew word, a combination of the words "kley" (vessel) and "zemer" (melody) that referred to musical instruments in ancient times.
