Maths – Subtraction

Watch Numberblocks Subtraction episode -

https://www.youtube.com/watch?v=5R7F9rjgGG4&ab_channel=Numberblocks

Can you use a 100 square to solve these subtraction calculations?

Can you copy the number sentences out and write the answer.

100 Square - <https://drive.google.com/file/d/1NLgJVW6VEaTtpPbo2evqHf1Z84s59zE/view?usp=sharing>

English – Grammar

Today we are going to revisit punctuation that we can use at the end of sentences – a full stop, question mark and an exclamation mark.

Can you practise the formation of these on some paper and explain to a grown up how these are used accurately.

Then there are some activity sheets for you to have a go at reading and putting the correct punctuation at the end. Good luck!

Punctuation Sheet - https://drive.google.com/file/d/1qCu2Wibo69KSQ_9u6gz7zAfyCLmibZG-/view?usp=sharing

Phonics

Can you watch the video –

https://www.youtube.com/watch?v=c2cJwev54xU&ab_channel=MrBullockWeston

to explore the **tion** sound at the end of words.

Can you use these cards to practise reading the words with the ‘tion’ sound at the end and perhaps you could play pairs with a grown up.

Cards - <https://drive.google.com/file/d/1dHjX1QuoAQhKRm8gt7xX7f1HiReZtAw/view?usp=sharing>

Geography – Compass Points

Can you remember the 8 points on a compass and write them in the correct places on the blank template.

Then use your compass to complete the worksheet attached, following the compass directions and recording where you land!
