Dear Parents / Carers

Due to a number of positive COVID cases within school resulting in closure of a number of class bubbles the Governors and I have had to take the difficult decision to close wrap around care from Wednesday 30 June. We have a high number of staff currently isolating therefore do not have a sufficient staff to child ratio to sustain wrap around care. We hope to be able to reinstate this provision from Monday 05 July however this may change should further bubbles close. Should we find ourselves in a position that we are unable to re-open we will advise parents on Friday 02 July. We understand that this closure can severely affect our families who rely on both Toast and After School Club and would like to reassure you that this decision was not taken lightly and we will do all we can to reinstate as soon as we can.

**F1 30 hours and Full Day Care children are unaffected,
start and finish times will remain the same.**

To clarify, Toast Club and After School Club will be closed on the following days:

Wednesday 30 June

Thursday 01 July

Friday 02 July

Thank you for your continued support.
