Wednesday

Maths – Subtraction

Today we are going to be solving 2 step subtraction sentences, for example
 $10 - 4 - 2 = \underline{\quad}$

Can you use your 100 square again to solve the subtraction questions and copy them out and record the answer.

100 Square - <https://drive.google.com/file/d/1NLgJVW6VEaTtpPibo2evqHf1Z84s59zE/view?usp=sharing>

Subtraction Questions- <https://drive.google.com/file/d/1D4A18x4dF9m0mHH5KagFqse00TIx9yp5/view?usp=sharing>

English – Alliteration

Today we are going to be looking at alliterative sentences! We would like you to read the sentences attached and can you think of a word to complete the sentence that also begins with the same sound!

For example – Tiny Tony lost two ____ (teeth, toes, trucks)

Alliterative Sentences – https://drive.google.com/file/d/1xj5x13T2SBfO-JAcPxdPUoKJs-8p000_/view?usp=sharing

Then can you think of some of your own alliterative sentences and write them down!
We look forward to hearing them!

Phonics

Today we are going to look at the suffix **-ly** and explore how this can be added to words and it describes an action. For example – The sun was shining brightly.

Can you watch the video -

https://www.youtube.com/watch?v=gOoZ3HAbh00&t=1s&ab_channel=Nessy and

then have a go at adding the suffix to some words on the attached sheet!

-ly Sheet - https://drive.google.com/file/d/12Tw5W2r_-u5CKQ6KUKd3V022gCtIU9D/view?usp=sharing

RE – Jesus helps people

When Jesus was alive he helped and cared for people in many different ways, through teaching them how to pray, spreading kindness and through performing miracles to help people who were poorly. Now that Jesus is not on earth anymore, Jesus helps us through other people, for example, police, lollipop people, nurses.

Can you think of some more people that help us and draw and label them – you could choose to make a chain of people demonstrated on the daily video!
