

Year 1 – Home Learning

Monday

Maths – Length and Height

This week in Maths we are beginning the topic of length and height. We refer to length for objects that are sideways and height for things that are upright!

Can you find 4 objects in your house to order by length and 4 objects to order by height! Then can you write some sentences about your findings using the words tall, taller, tallest, short, shorter, shortest, long, longer, longest etc. For example, the bottle is taller than the glue stick. The pencil is the shortest.

English – Grammar

Today we are going to be revisiting adjectives (describing words) and exploring how we can add them in to sentences to make the sentences more exciting!

Can you watch the video - https://www.youtube.com/watch?v=IT-G4c2-CHU&ab_channel=TwinklKids%27TV and then think of an adjective that could be added in to each of these sentences attached.

Sentences - <https://drive.google.com/file/d/15a2bgNlvxzIpYQB9hI2ZALW2uJhSA0AA/view?usp=sharing>

Phonics

Can you make some real and alien word cards at home (or you could use the ones attached!) and play **Kaboom** with a grown up! Remember to add in a card that says **Kaboom!**

The cards are placed face down and you take it in turns to pick up a card and if you can read it correctly then you get to keep it. If someone picks up the **Kaboom** card then whoever has the most cards in their possession is the winner and all the cards are returned to the middle for the next round! Have fun!

Kaboom cards - https://drive.google.com/file/d/1NST-Og_jW588k6YwXKI2IpgPH2OdCkc9/view?usp=sharing

Science – Animals

Another way that we can sort animals is by their diet. Can you remember the words carnivore, omnivore and herbivore? There is a video that recaps the different diets of animals -

https://www.youtube.com/watch?v=6Xvi6ejc_9g&ab_channel=TwinklKids%27TV

We would like you to look at the animal cards attached and look at what they eat to correctly sort the animals into the three groups – carnivores, omnivores and herbivores.
