

F2 HOME LEARNING – Tuesday 13th July 2021

Hi F2,

I hope you are all keeping safe at home!

Here are your activities for today.

I cannot wait to see all of your hard work!

Literacy – Winnie and Wilbur Under the Sea

Remind yourself of our focus story – Winnie and Wilbur Under the Sea [Winnie under the Sea - YouTube](#)

Today, I would like you to imagine that you are Winnie or Wilbur. What information would you like to tell your family about your adventure under the sea? Can you create a postcard to send?

A postcard is a good way to tell a loved one what you have gotten up to on holiday. Some people like to collect postcards to showcase different photographs from different places they have visited or received them from. In your postcard you may want to draw a picture of the setting as well as write what Winnie and Wilbur have done so far and what they might do next (or an adult can scribe this for you).

Phonics – Consolidation

Listen to the tricky word song [Phase 3 Tricky Words Song Say Hello To - YouTube](#)

Today we will be focusing on the digraphs 'oa' and 'or'. Can you think of words that contain these digraphs? For example, goat, boat, corn, torn. Write 2 lists of the words you think of.

I have uploaded a list of words containing our focus sounds. Can you spot the digraphs in the words? Have a go at reading the words using sound buttons to help you.

As a challenge - can you read the sentences too?

Maths – AB Patterns

Watch the video to learn about patterns - [EYFS: Repeating Patterns - YouTube](#)

Using different items around your home, create a repeating pattern. For example, you may use fruit, vegetables or sweets. Can you draw your pattern too?

Please see an example of this on the school blog.

F2 HOME LEARNING - Tuesday 13th July 2021

Understanding the World – Under the Sea

We are continuing to learn about 'Under the Sea'.

Watch the coral reef video and discuss what you can see in the video.

<https://www.youtube.com/watch?v=J2BKd5e15Jc>

Have a think about what different animals and colours you can see in the coral reef. I would like you to create our own coral reef picture. If you have access to an iPad or tablet, download the app 'draw free' to create your picture. If you do not have access to this, you may wish to draw/ paint your coral or use 'paint' on a computer/laptop.

Remember to think about all of the different elements of the coral reef and try to include as much detail as you can 😊

Have fun and remember to post pictures of your work on Tapestry or School Spider!

Miss Kealey 😊
