

# F2 HOME LEARNING - Thursday 15<sup>th</sup> July 2021

Hi F2,

I hope you are all ok.

Here are your activities for today.

I cannot wait to see all of your hard work!

## Literacy – Winnie and Wilbur Under the Sea

We are continuing with the story 'Winnie and Wilbur Under the Sea'. Choose your favourite character from the story 'Winnie and Wilbur Under the Sea'. Draw a picture of this character and think of some words to describe the character you have drawn.

You may ask an adult to scribe these words for you or you can have a go at writing the words yourself, using your phonics to help you sound them out.

Challenge – Can you use these words in a sentence? Remember your capital letters, finger spaces and full stops.

## Phonics – Consolidation

Listen to the song to practise the phase 4 tricky words [Phase 4 Tricky Words Song Sight Words Song for said, have, like, come, some, what, when - YouTube](#)

We are going to practise some trigraphs we have already learnt –'ure' and 'air'. Ask an adult to write some 'ure' and 'air' words on pieces of paper (chair, fair, pair, hair, hairbrush, airport, stairs, pure, cure, lure, picture, manure, secure). Can you read and sort the words into 'air' and 'ure' groups? Talk about the meaning of the words as these may be new words for the children.

Visit [PhonicsPlay - Resources](https://www.phonicsplay.co.uk/resources) and play a phase 2, 3 or 4 game.

## Maths –

We are continuing to learn about repeating patterns in Maths. Play the game and complete the repeating patterns - [Shape Patterns \(topmarks.co.uk\)](https://www.topmarks.co.uk)

Please complete the repeating patterns worksheet on School Spider.

If you cannot access the online work sheet that is not a problem. Can you find objects or toys at home to create a repeating pattern? Or you may choose to draw your own repeating pattern

## F2 HOME LEARNING - Thursday 15<sup>th</sup> July 2021

### Understanding the World – Under the Sea

Listen to the story [Read aloud: Commotion in the ocean - YouTube](#)

Can you name the animals in the story? Choose an 'under the sea' animal we have been learning about this half term. How do they move? Do they make a noise? Can you create a dance as if you were this animal? You may wish to play some 'Under the Sea' themed music to dance to.

Here are some links to some songs you may enjoy.

- [A sailor went to sea, sea, sea | Early Years - Nursery Rhymes - YouTube](#)
- [The Little Mermaid - Under the Sea \(from The Little Mermaid\) \(Official Video\) - YouTube](#)
- [Just Dance Kids 2014 A Pirate You Shall Be - YouTube](#)

If you have access to a laptop or computer, have a go at using some positional language to direct the pirate towards the treasure. If not, you may like to create your own treasure map for a pirate to follow.

Have fun and remember to post pictures of your work on Tapestry or School Spider!

Miss Kealey 😊
