Dear Parents / Carers,

Year 4 will be participating in a 'Roman Civilisation Workshop' on Tuesday 9th January 2024. The children will participate in a number of activities which will be provided by an external provider. During the session the children will learn about the following:

- **INTRODUCTION** – A slideshow will teach the students an overview about life in Rome and life as a Roman
- **INVENTIONS** – How the Romans created Roads, Hypocausts, Aqueducts and sewers!
- **CRIME & PUNISHMENT** – Using drama the students will bring various crimes to life
- **ARMY** – We will teach the students about one of the most powerful armies that ever lived
- **GODS** – Learn about the different Gods in the Roman pantheon and how some were 'borrowed' from the Greeks
- **ARTEFACTS** – We have a selection of artefacts that can be handled by the students (including Money, Oil Burner, Tablet and Stylus)
- **BOUDICA** – We will teach the students all about the Queen of the Iceni Tribe and her uprising against the Roman Army
- **LEGIONS DICE** - Play our addictive dice game. See if you can gain the highest score, but beware - most of you will end up with ZERO!
- **THE BIG QUIZ** - To round off our days learning

The total cost of the workshops is £5.00 and payment should be made on ParentPay no later than Monday 08 January 2024.

Kind Regards
