E-Consent...it's so easy!

Dear parent / carer

We're delighted to be working in partnership with Wirral Community Health and Care NHS Foundation Trust to introduce a new way for you to consent to your child's school-aged vaccinations.

You can now provide electronic-consent (e-Consent) for **all** your child's vaccinations with a click of a button, using your mobile phone, computer, laptop or tablet.

The new e-Consent process is:

- safe and secure
- easy to use
- convenient and saves time
- friendly to the environment - saves paper

So how does the process work?

- the form is simple and easy to complete
- once you've completed the form click 'submit'
- you'll receive an email to confirm the form has been received securely
- the Trust's Immunisation Team will receive your child's form via a secure portal
- if you've consented, your child will have their vaccine in school.

Remember, the new e-Consent process is easy, secure and convenient!

For information of ALL school age vaccinations please visit wchc.nhs.uk/econsent/
