

Year 1 Autumn Term

Science

Humans have five senses.

Animals are grouped together into families based on shared properties. There are 5 main animal groups.
Mammals
Fish
Reptiles
Amphibians
Birds

History

What is History?
My timeline
My family tree
There have been changes in my lifetime.

Guy Fawkes
The Gunpowder plot was in 1605
Bonfire Night is celebrated on 5th November

Geography

I live in Birkenhead
My school is in Birkenhead
Birkenhead is on the Wirral Peninsular.

Birkenhead park was built in 1847.
It is near my school.

Art

Colour mixing

Red, blue and yellow are the primary colours.

Red+blue = purple
Red+yellow = orange
Blue+yellow = green

A tint is created when you add white to a colour.

A shade is created when you add black to a colour.

DT

Building Bridges

Design, build and evaluate bridges based on the Swiss bridge in Birkenhead park.
Choose appropriate materials based on strength.
