

# Year 1 Autumn Term

## ANIMALS INCLUDING HUMANS

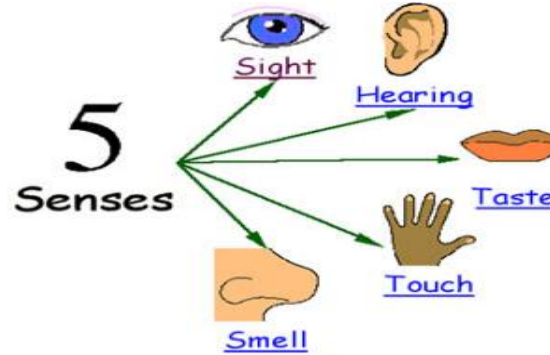

### OLSE Science Knowledge Organiser

#### HUMAN BODY PARTS

#### THE 5 SENSES

Humans have five senses. The senses are linked to parts of the body.

**Carnivore**—an animal that eats meat

**Herbivore**—an animal that only eats plants

**Omnivore**—a person or animal that eats all kinds of food including meat and plants

#### ANIMAL GROUPS

Animals are grouped together into families based on shared properties. There are 5 main animal groups.

**Mammals** have hair or fur. They give birth to live young. Mammals produce milk to give to their babies.

**Fish** live in water. They have fins, scales and gills.

**Reptiles** have dry, scaly skin. They lay eggs on land.

**Amphibians** live on land or in water. They lay eggs in water.

**Birds** have 2 legs, wings and feathers. They have a beak or bill and hatch from an egg.
