Dear Parents

### Website & Communication

Our new web site [www.ourlady-saintedwards.wirral.sch.uk](http://www.ourlady-saintedwards.wirral.sch.uk) has been live now for 12 months. All of our school information can be found on the site both for current and future pupils and there is a very detailed calendar which is updated as soon as an event is booked. All school letters, news letters, blogs and access to our twitter feed can also be found on the site. As parent's evening is now booked via school spider the majority of our parents have already signed up and are using the spider app.

Hopefully you will have noticed that we are sending emails and short messages via the site (school spider). We are hoping to use this function more and more in the future to reduce the financial and environmental impact of paper letters. As of 01 January 2020 we will no longer be sending home paper letters, all correspondence will be sent via email or quick message directly to either your school spider app or into your inbox. If you have not activated your account or we do not have the correct email address for you then you will not be able to receive the letters, please contact the school office if you require activation details.

**\*\*\* Our Lady & St Edward's go paperless in 2020 \*\*\***

Yours sincerely
