

Year 5 Week 4 challenges

History

Greek Mythology Top Trumps

Research the Greek Gods and Goddesses, mythical creatures, monsters and gorgons and gather as much information about them as you can.

Now you have collected lots of information, create your own set of top trump cards. Include a picture, an introductory paragraph and categories such as aggression, height, strength, good deeds, intelligence, bravery and magic.

Maths

Time

This week in school, we have made our own clock faces using paper plates. We then challenged each other to display times and read the time on the clock. We would love you to have a go at creating your own clock face using whatever materials you have at home.

Once you've created your clock face, ask your family to challenge you to show them certain times.

Finally, to test your time skills further, keep a diary of your day, logging the time that you completed certain tasks e.g. waking up, brushing your teeth, exercising, reading a book, eating your lunch etc. Can you record the time in 12 hour and 24 hour? Can you write the times digitally and draw the times on an analogue clock?

D.T

Make a Greek Model

Design and then make a model of either an ancient Greek temple or an ancient Greek theatre. Find some pictures to help you include the correct features.

You could use anything you have spare around your home for example, paper, cardboard, cereal boxes, toilet roll holders, Lego or even playdoh.
