

Dear parents/carers,

Re: possible reopening of school to more pupils in June

We know you've seen in the news that schools may reopen on 1 June to F1, F2, year 1 and year 6 pupils if the government thinks it's safe then.

It's a very unsettling time for us all, but rest assured that we're going to be doing everything we can to make sure we're ready to receive these year groups if it's safe for our school to reopen in the coming weeks.

We're creating a detailed action plan that we'll share with you as soon as possible so you know what the school's reopening will look like in practise. Precautions we'll be taking include:

- Limiting class sizes
- Staggering break times, and pick-up and drop-off times
- Increased cleaning
- Keeping pupils and staff with coronavirus symptoms at home

If your child is clinically extremely vulnerable, or living with someone who is in this group, they should not come back to school and should continue home learning. If your child is clinically vulnerable (but not clinically extremely vulnerable), you should follow medical advice to decide if they should come back to school. Please refer to [government guidance](#) for further details of these groups.

We'll keep you updated with all our preparations for making sure the school is as safe as possible, so you can make an informed decision. In the meantime, the school is still open **only** for vulnerable pupils and the children of critical workers. We will contact parents when we are in a position to extend the offer of places for pupils in those year groups identified by the Government.

We'd like to thank you for your continuous support in helping your child learn from home. We'll keep you updated once we know more about when schools will be able to reopen for other year groups.

If your child will remain at home beyond 1 June, we'll continue to support you and them with home learning, and meal support for those eligible. Please do continue to stay in touch with us about how your child is getting on.

If you have any questions, please contact the school office as normal.

Thank you for your continued support, take care and stay safe

E McGunigall
Headteacher
