Year 3

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Maths Times Tables practise – 3s and 4s https://www.youtube.com/watch?v=cuvxmjgkjU0</p> <p>Write out your times tables and then ask your adult or siblings to test you. How many can you score in 1 minute?</p>	<p>Maths Find $\frac{1}{2}$ of a group of objects. https://www.bbc.co.uk/bitesize/articles/zbpxdp3 - look at example 2. Gather together 30 small objects, e.g. beads, grapes, lego, marbles. Can you use the objects to find $\frac{1}{2}$ of 20 $\frac{1}{2}$ of 10 $\frac{1}{2}$ of 14 $\frac{1}{2}$ of 24 etc.</p> <p>Remember fractions have to be equal!</p>	<p>Maths Find $\frac{1}{4}$ of a group of objects. https://www.bbc.co.uk/bitesize/articles/z222kty</p> <p>Complete activity 1.</p>	<p>Maths Can you use what you learnt yesterday to find $\frac{2}{4}$ of an amount? Start by finding $\frac{1}{4}$ of your group, but instead of looking at just one group, you must look at 2. Example: $\frac{1}{4}$ of 8 = 2 $\frac{2}{4}$ of 8 = 4</p> <p>$\frac{1}{4}$ of 12 = $\frac{1}{4}$ of 8 = $\frac{2}{4}$ of 12 = $\frac{2}{4}$ of 8 =</p> <p>$\frac{1}{4}$ of 20 = $\frac{1}{4}$ of 16 = $\frac{2}{4}$ of 20 = $\frac{2}{4}$ of 16 =</p>	<p>Maths Would you rather? $\frac{1}{2}$ of 10 sweets or $\frac{1}{4}$ of 16 sweets $\frac{1}{4}$ of 20 sweets or $\frac{1}{2}$ of 14 sweets $\frac{1}{4}$ of 28 sweets or $\frac{1}{2}$ of 16 sweets</p> <p>Can you make up some questions of your own and try to solve them? If you find any problems, can you work out why this might have happened?</p>
<p>English https://www.pobble365.com/ Look at the picture of the day on pobble365- can you complete any of the focused English</p>	<p>English https://www.youtube.com/watch?v=RvV23xoZRkl&t=62s Watch video above 'Michael Rosen's Top Tips for performing poetry, and listen to the ways we can improve our performance.</p>	<p>English</p>	<p>English</p>	<p>English</p>

<p>activities below about the picture?</p>	<p>Read his poem 'Dinner Hall', pick your favourite few stanzas and see if you can follow Michael's top tips when performing it for your family.</p>			
<p>Science Magnets Which materials are magnetic? Watch the following video and test your knowledge by taking the quiz. https://www.bbc.co.uk/bitesize/topics/zyttyrd/articles/zw889qt</p> <p>Using what you have learnt, can you make a list of objects in your home that are and are not magnetic? If you have a magnet at home, test the objects to see if you were correct.</p>	<p>DT Look around your house and collect as many empty boxes, cartons, packets, plastic bags, sticks, leaves etc. as you can. You are going to use these materials to make a shelter next week. This week, have a go at designing your shelter. We have attached a few images to the website for you to look at for some inspirations. Happy designing!!</p>	<p>History Think about the work we have done so far on settlements and what settlements looked like. Watch the video clip about Skara Brae (a settlement in Scotland) https://www.bbc.co.uk/bitesize/topics/z82hsbk/articles/z33487h Have a look at the pictures of artefacts which will have been used in settlements such as Skara Brae. Fill in the table thinking about what the artefacts are, what they would have been used for and who might have used them.</p>	<p>Geography Research UK</p> <p>Using Google can you answer the following questions:</p> <p>Which river in the UK is the longest? Which river in the UK is the deepest? Which city has the largest population? What is the population of the UK? What is the population of Liverpool? What is the tallest mountain in the UK?</p> <p>Now, think of some other questions of your own to research.</p>	<p>RE Watch this video about Mary's visit to her cousin Elizabeth. https://www.youtube.com/watch?v=PSy8AUCi2qQ</p>
