

YEAR 1

13/01/21

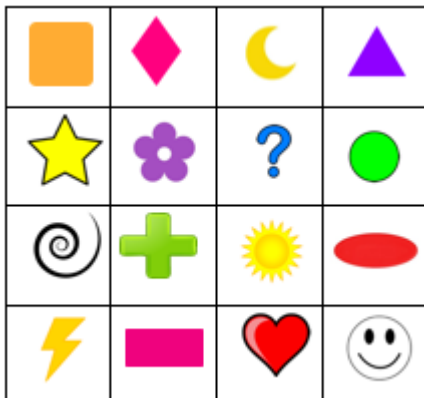

Hi Year 1!

Here's a run through of your home learning tasks for today...

Maths- Position and direction

Today you are going to use your knowledge of positional language, and left and right!

Complete the position and direction activity (on School Spider) by following the instructions and recording what square you land on!

Start at  Go up 2 spaces	<input type="text"/>	Start at  Go up 3 spaces	<input type="text"/>
Start at  Go left 3 spaces	<input type="text"/>	Start at  Go right 3 spaces	<input type="text"/>
Start at  Go down 1 space	<input type="text"/>	Start at  Go left 1 space	<input type="text"/>
Start at  Go right 2 spaces	<input type="text"/>	Start at  Go down 2 spaces	<input type="text"/>
Start at  Go left 2 spaces and up 1 space	<input type="text"/>	Start at  Go down 3 spaces and right 2 spaces	<input type="text"/>

English

Click on this link to listen again to the story of 'The Lighthouse Keeper's lunch'...

[The Lighthouse Keeper's Lunch](#)

This time, listen carefully and write down any new words that you don't know the meaning of! There might be a few e.g. brazen, industrious, scavenging.

Can you use the rest of the sentence and the pictures to guess what the word might mean? Use a dictionary (a book or online) or google to look up and write the definitions of these new words. Can you put the words into a different sentence?

RE – The presentation of Jesus in the Temple

Candlemas is celebrated forty days after the birth of Jesus, on the 2nd February. It is a holy day which celebrates the presentation of Jesus to the Heavenly Father in the Temple. At the temple, Mary and Joseph met Simeon and the prophet Anna. Simeon and Anna were overjoyed to meet them as they had waited all their lives to meet Jesus.

At a Candlemas celebration, many people bring their candles to their local church. During the mass, the candles are blessed.

Why not make a candle to celebrate? You could use a kitchen roll tube, or a Pringles tube, or simply roll up a piece of paper/card into a cylinder to make your own candle for Candlemas. We would love to see some lovely decorated candles. Take a photograph and send it in to school spider.
