

Country

This week we are focusing on country

Country music (sometimes called Country & Western) is a form of music that has been enjoyed by people all over the United States for decades. The old cowboy and pioneer songs of the American frontier were popular in the early twentieth century. Country musicians also adapted new musical instruments, like the Hawaiian steel guitar.

Some common reggae instruments include:

steel guitar

harmonica

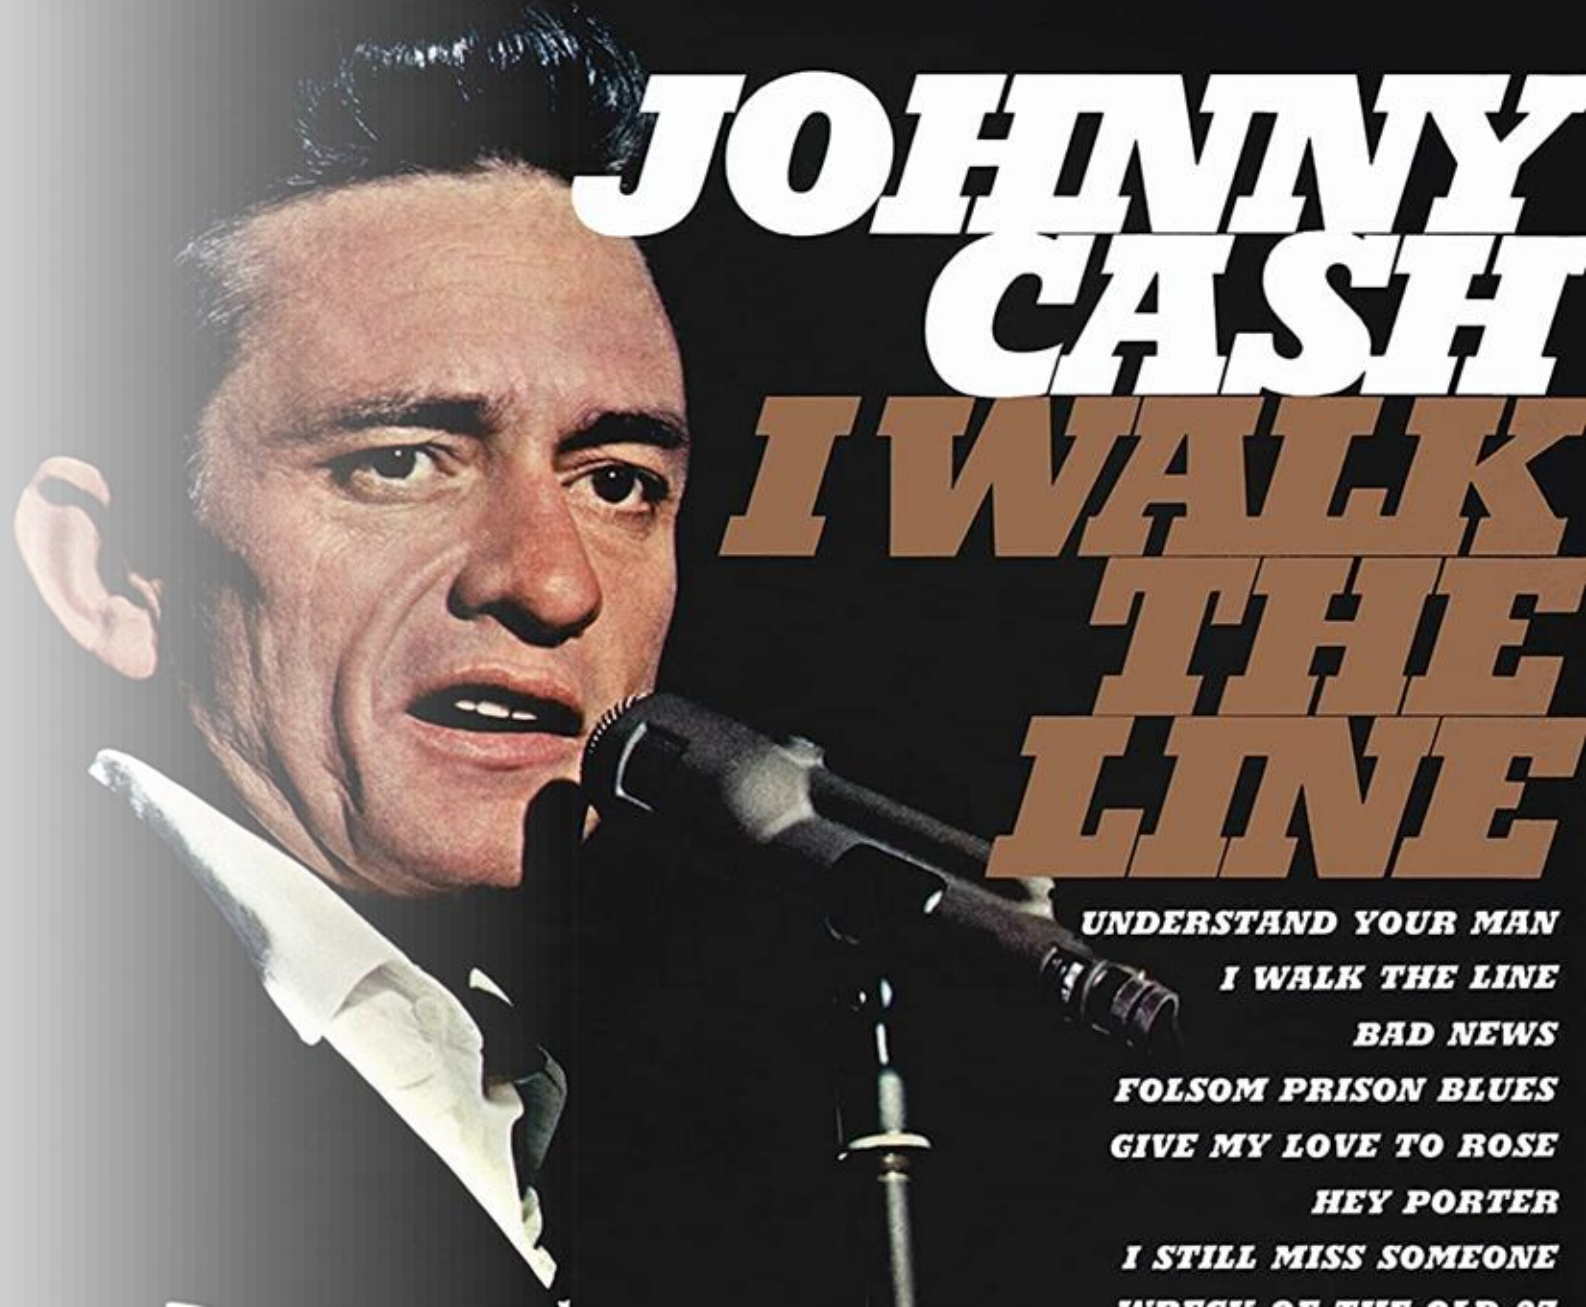

fiddle

banjo

Day one: Johnny Cash
- I Walk The Line
