Dear Parents

### February Half Term Hampers

Children at home who are entitled to Free School Meals have been receiving Free School Meal vouchers and will continue to do so during lockdown in term time. Vouchers will not be issued during half term, your next voucher will be issued on Monday 08 February and will recommence on Tuesday 23 February.

During half term week all children who are in receipt of Free School Meals will receive a food hamper. This has been arranged by Neo Community and Gauby Road Community Centre in association with the Local Authority. Hampers will consist of one ambient box containing tins, pasta etc. and one bag of fresh produce, hampers will be similar to those received at Christmas but on a smaller scale as they are designed to last one week.

All hampers will be delivered to school for us to distribute to our families. As we are limited with space we have asked for these to be delivered on the morning of Monday 08 February so that they will be available to collect from the mobile at the same time as you collect your children's work packs. You may choose to use your voucher in half term as you will have your hamper the week before. If you are working online and do not collect packs please collect your hamper from the mobile classroom anytime between 12pm and 3.30pm. If your child is in Year 6 and walks home alone please arrange collection of your hamper from the mobile classroom between 12pm and 3.30pm. Parents of children who are currently in school and are entitled to Free School Meals can collect their hampers at the end of the school day from the mobile.

Please contact the school office as soon as possible if you are unable to collect your hamper on Monday 08 February.
